10TH SUNDAY IN ORDINARY TIME

In the very difficult economic times of the last few years, many families found themselves relying on resources that they had never had to utilize in the past. Some households used their retirement savings or tried to sell their homes after a job loss. Others found themselves grateful for unemployment compensation even if it didn't pay all their bills. Some adult children found it necessary to move back in with their parents, while some families found help from a local food pantry or meal program-maybe one to which in better times they actually made donations.

In Sunday's Gospel, the widow from Nain has lost her only son. In the time of Jesus, this was not only a personal loss filled with grief, but also a devastating economic event. There was no one on whom she could rely for support. With her husband gone and now her only son dead, the woman had nothing. She was in the very worst of straits. That is, until Jesus came along. Suddenly, the widow had renewed hope, as her son was raised up and restored to her. Her life could go on.

The plight of our neighbors in need today is not so different from that of the widow of Nain. While we might want to have Jesus walk into town and give them their house or their job back, we know that isn't going to happen. But that doesn't mean that something can't happen. Indeed, something should! As the followers of Christ today, we are his presence in this world. When there are people suffering, we are the ones called upon to reach out and help. There might be one or the other among us who actually can offer someone a job, but most of us will help in other ways. It can be as simple as buying one extra item every time we go grocery shopping to donate to the local food pantry. We can all help!

10º DOMINGO DEL TIEMPO ORDINARIO

El Evangelio de hoy nos narra el milagro donde Jesús resucita al hijo único de la viuda de Naín. Es importante notar que este milagro solamente lo encontraremos en este Evangelio. La compasión profunda y la preocupación que Jesús mostraba en la desbastada sociedad de su tiempo hacen eco en este pasaje del Evangelio. La viuda se había quedado completamente sola a la muerte de su hijo. En los tiempos de Jesús, las familias dependían de los miembros masculinos de la familia. Al perder a su hijo, la viuda perdía todo tipo de apoyo y protección. ¿Qué podemos aprender de esta historia? ¿Cómo es el cuidado de Dios en nuestros tiempos para las personas más vulnerables? ¿Quién protege a las viudas y a los huérfanos de hoy?

La Constitución dogmática Lumen Gentium (Luz de la gente) en su número 35 nos dice que "Cristo, el gran Profeta, que proclamó el reino del Padre con el testimonio de la vida y con el poder de la palabra, cumple su misión profética hasta la plena manifestación de la gloria". Al mostrar su compasión, Jesús mostraba pues la gloria del Padre. El poder de la nueva vida para este joven venía de la autoridad de Jesús dada por el Padre. Ahora nos toca a nosotros pedir a Jesús que nos dé un corazón compasivo y nos ayude a reconocer a los vulnerables de nuestra sociedad.
